

# Downloading Axis 360 eBooks: Kindle Fire HDX using Blio Reader

**WHAT YOU NEED:** Kindle Fire HDX, Library Card & PIN, email address

SWIPE down from top of device to reveal settings options and go through the following to allow installation of applications that are not from Appstore:

- Touch **SETTINGS**, then
- Touch **APPLICATIONS**

SLIDE “Allow Installation of applications that are not from Appstore” to ON.

Go to the WEB <http://bits.blioreader.com/update>  
TOUCH the file beginning with **Blio...PROD.apk** to begin download.

Click on figure to left while in web browser, then TOUCH “Downloads” to view file to install. If asked, complete using “Silk Browser”.

- TOUCH file name to begin installation.
- TOUCH NEXT, then TOUCH **INSTALL**.
- After App installed, TOUCH **OPEN** which will open the BLIO App.

- **CREATE** a Blio account if you don’t already have one.

[CREATE ACCOUNT](#)

- Log in with the email and password you created for your Blio account.

GO to the following site to check out books:

<http://cabarrus.axis360.baker-taylor.com>

This takes you to the “Magic Wall” of books to select. Ensure you are in “Mobile” View not Desktop view by touching the box with 3 lines in it at bottom.

Choose “Request Another View”

Select:

- **Mobile**

**BROWSE, SEARCH AND CHOOSE Ebooks**

You may key in title or author from the search bar at the top of the screen.

You may CLICK on  **Help** for more information on how to use Axis 360.

Once you’ve identified a title to checkout, select the **Blio** format option and then click Checkout Now.

Clicking on “**Checkout Now**” will check out title for 14 days. You will be prompted to **login** to your **Library Account** and then your **Blio Account** to complete checkout.

When you receive Checkout Confirmation:

- Open your **Blio** App 
- From **LIBRARY** touch **DOWNLOAD** on book jacket
- Book is ready to read
