

LIFE SUPPORT

AN INTRODUCTION TO THE WORK OF CABARRUS COUNTY DEPARTMENT OF *Human* SERVICES

Who does DHS help? Are there programs for seniors? How can I become a foster parent? What is the DHS budget?

What does DHS do? Is transportation help available? Is the department efficient? What numbers should I call?

The Department of Human Services (DHS) offers temporary assistance for life's critical moments. Cabarrus County residents are invited to attend an upcoming community forum where leaders from DHS will discuss the structure of the newly formed department, their goals and the work they do to assist our community. Each forum will include a presentation, question-and-answer session and a meet-and-greet with representatives from each division of DHS.
