CABARRUS COUNTY ACTIVE LIVING AND PARKS MASTERPLAN DEVELOPMENT

The Cabarrus County Active Living and Parks Department is beginning the process of developing a new comprehensive Masterplan for future parks, recreation and senior centers in Cabarrus County. We want to know how YOU envision your future quality of life and the role active living and park facilities have in making your vision a reality.

Help us design spaces that encourage residents to connect with neighbors, enjoy nature, and provide access for people of all ages to live an active lifestyle.
